GHI Considers Plans for Reconstruction Of Plateau Pl. and Ridge Road Sidewalk

by Mavis Fletcher

Greenbelt City Manager James K. Giese appeared before the Board of Directors of Greenbelt Homes, Inc., at a meeting on Aug. 2 to discuss city construction plans for Plateau Place and for Ridge Rd. between Southway and Westway. Giese presented three plans for Plateau Place; two of these had been presented at a public hearing on July 9 and the third had been devised later in response to suggestions made at the hearing.

In Plan A, the roadway would be 40' wide with parallel parking on both sides; in Plan B, the roadway would be 20' wide with perpendicular parking on the north side and parking spaces moved directly in front of the residences. In Plan C the roadway was planned at 24' wide with perpendicular parking on the north side, parking between residences and green space directly in front. The number of parking spaces varies with each plan.

The street currently has 68 perpendicular spaces. Plan A would result in 94 parallel spaces; Plans B and C would have 74 and 62 perpendicular spaces, respectively. Members who expressed an opinion on the options at the August 2 meeting appeared to favor retention of perpendicular parking and green space in front of residences. The board voted to recommend that the city proceed with Plan C providing the roadway could be increased to 26' and additional parking spaces could be carved out at the end of the street.

The discussion about the Ridge Road reconstruction centered primarily on whether a sidewalk should be installed along the south side of Ridge. Since it would be on GHI property, an easement would be required. After discussion, the board voted unanimously to grant the easement after consultation with members in the 14 and 16 Courts.

Both construction projects are being funded by a Community Development Block Grant from the Department of Housing and Urban Development.

IRS Ruling

One of the urgent items on the agenda concerned a GHI income tax liability which resulted from an IRS ruling that cooperative corporations must pay corporate income tax on so-called "non-assessment" income; that is, income which did not accrue to the corporation from members or from transactions with members. In GHI's case, this is primarily interest income from investments. GHI, which got an extension of its 1983 tax filing date, is now faced with paying income taxes estimated by Comptroller Don McGinn at 40 to 45 thousand dollars.

Pursuant to advice from General Manager Shekar Narasimhan, who had opinions from GHI's tax attorney and auditors, the board voted to authorize payment of the tax due. Narasimhan pointed out that the IRS ruling will continue to have an impact on GHI budgeting since GHI will earn more interest income in 1984 and will have to pay taxes on that income in 1985. In this connection, the board voted to donate \$750 to the Cooperative Housing Advocacy Fund of the

Cooperative League of the USA. CLUSA is currently working on drafting tax legislation which would exempt from tax interest income gained by a cooperative from funds collected from members.

Personnel Decisions

Personnel matters occupied the board for part of the meeting. With Narasimhan's imminent departure, it became necessary to appoint someone to replace him as one of GHI's two representatives on the board of directors of the Share Loan Service Corporation. Leo Hool, a member of the Audit Committee, had expressed interest in serving on this body. However, some question had been raised about the propriety of a member serving simultaneously on the SLSC board and the Audit Committee. Director Don Volk indicated that he would be comfortable about this if Hool were the board's choice but Directors Deborah Hartwick and Janet Cantwell expressed some concern about the situation. On a motion by Hartwick, seconded by Cantwell, the board unanimously voted to appoint Comptroller Don McGinn to replace Narasimhan on the SLSC board.

Cable Facilities Available For City Programming

Storer Cable provides opportunity for non-commercial community programming on local and public access channels. A-6 is a countywide (northern P.G. County), public access channel while A-10 is the City of Greenbelt local government channel. Storer also provides camera equipment, studio and editing facilities, video tape, and training classes for the use of their equipment.

The city would like to see its residents and organizations take advantage of this opportunity to have community events taped and shown on A-10 or A-6. Public events, meetings on important issues, awards ceremonies, cultural arts events, popular sports events and similar activities are the types of programming the city welcomes. If any person or organization has an upcoming event that may be of interest city- or countywide, contact the city.

In order for public access programming to work in Greenbelt, volunteers are needed to help with the production of these events. If anyone is, or would like to become, certified by Storer to operate the video equipment and would like to volunteer, please let the city know.

Contact Deborah Isaacs, Cable Public Access Coordinator, City of Greenbelt, 474-8000, for any questions, comments and ideas.

Council Reviews Coming Year's Capital Improvements Projects

by Leta Mach

How to spend \$291,000 was the pleasant subject city council considered at a July 31 work session. The money has been designated for fiscal year 1984-85 capital improvement projects.

Some projects had already been approved in FY 1983-84. Totalling \$49,500, the projects are Attick Park entrance road reconstruction, work on stairs and sidewalk to the post office, Greenhill drainage work and Centerway resurfacing with new curb and sidewalk.

A large portion of the money would be used for street resurfacing on Julian Court, Lastner Lane, Rosewood Drive, Periwinkle Drive, Hamilton Place, Lakecrest Drive (Lakecrest Circle to Lakeside), Lakeside Drive (Westway to Lakecrest), Westway (Ridge to resurfaced section), Springhill Lane (Breezewood to resurfaced section) and the Attick Park lot and road. The city estimate for this work is \$142,000; however, it may be possible to do the work under a county contract for \$90,000.

Tennis Courts

One group, the Greenbelt Tennis Association, was present to help council make up its mind. The group, explained association president James A. Harbaugh, "wish to see our tennis courts, Braden Field Nos. 5-8, restored to a playable condition as soon as possible." Barbara Moore presented a petition on the subject with approximately 300 signatures which the group had hurriedly collected over the weekend.

Reconstruction of the tennis courts was one of five priority projects listed as possibilities in the FY 1984-85 budget. The \$55,000 estimate for this project, explained City Manager James Giese, would involve tearing up the courts to put in underdrains, improving the drainage and redoing the base. Mayor Gil Weidenfeld and council members Ed Putens and Toni Bram supported the tennis association's request. Council member Richard Pilski expressed support for doing two tennis courts. (Council member Thomas White arrived as the session was ending.) Even with this support, Giese was not certain whether the project could be done this fall because time would be needed for developing specifications and obtaining bids.

Priority Projects

Council quickly reviewed and supported the remaining priority projects — Centerway sidewalks and curbs (estimate \$14,000), Attick Park entrance landscaping (estimate \$14,000) and resurfacing of the Youth Center roof (estimate \$22,000). Although the roof is not leaking, Giese felt a resurfacing was needed. Pilski noted that neglecting the roof could lead to further problems if it should leak and damage the floor. Giese recommended council drop the Cherrywood Lane resurfacing because this project will be done later by the county.

Council then turned its attention to seven projects not provided for in the FY 1984-85 bud-

get but instead listed as future needs. The projects included Northway resurfacing from Ridge to the Northway fields (estimate \$19,000), lake dredging (estimate \$85,000), Eastway reconstruction (estimate \$30,000), Hillside reconstruction Northway to Crescent (estimate \$55,000), resurfacing of half of the North Center parking lot (estimate \$17,000), turning wall for the pool (estimate \$90,000) and heat pump/air conditioning for the Youth Center gym (estimate \$25,000).

Since the Eastway and Hillside Road reconstructions were candidates for Community Development Block Grant funds, Giese recommended they not be considered for capital improvement projects. Council also decided to hold off on the turning wall because a consultant's report is expected on the subject.

No Consensus

Of the remaining items, the Northway resurfacing received the support of Weidenfeld, White, Pilski and Bram. However, it was more difficult to obtain a consensus on the remaining items. Street work, including work on roads not listed originally, was a favorite item. Recalling a citizens' request, Pilski stated his desire to widen the two-lane section of Hanover Parkway. Estimated at \$64,000 the project was more than remained in the fund. Therefore, he looked for ways to find more money. Giese allowed that the city would have an as yet undetermined excess of revenues. While in favor of the Hanover Parkway project, Weidenfeld felt it should be done as part of a bond referendum.

Bram felt it would be appropriate to resurface as many remaining Boxwood streets as possible. Other projects she mentioned were more Attick Park work and the North Center parking lot.

Weidenfeld also supported the North Center parking lot. In addition, he felt a heat pump/air conditioner would be useful for the Youth Center gym in view of the senior citizens who use the facility. Citing heat as a stress factor for seniors in the summer, Putens gave his support to the heat pump/air conditioner. Pilski stated that he would think about the project.

Since no clear consensus had emerged, council postponed a decision until there was a better idea of the amount of money available.

Phobia Hot Line

Behavior Service Consultants, Inc., a psychological services agency in Greenbelt, is offering a free Phobia Hot Line Service to the public. Behavior Service Consultants, a member of the Phobia Society of America, has had a Phobia Treatment Program since 1976. Hot line hours will be from 11 a.m.-12 p.m. on Tuesday, starting September 4.

Callers with questions and concerns related to fears, anxieties and phobia behaviors may call in and speak with a clinical psychologist/trained phobic therapist. For more information, or to use the Hot Line, call (301) 474-2146.

P.G. Philharmonic To Hold Auditions

The Prince Georges Philharmonic will hold auditions for its 1984-85 Concert Season for strings, trombones, trumpets and oboes.

The orchestra will perform works by Tchaikovsky, Beethoven, Shostakovich, Mozart and Berlioz. Rehearsals are held weekly on Wednesday nights from September to May in Greenbelt.

For audition appointment and information, please call the Prince Georges Philharmonic as soon as possible, at 699-2540.

Bloodmobile at Fire Dept.

The Bloodmobile will be at the Greenbelt Fire Department on Crescent Road on Saturday, Sept. 1, from 9 a.m. to 12 noon. Potential donors are urged to mark the date on their calendars.

"Clam Chowder" in Benefit Appearance at Arts Center

"Clam Chowder," a five member musical group featuring traditional and modern folk songs and instrumentals, is planning a benefit concert at the Greenbelt Cultural Arts Center's Utopia Theater on Friday, August 24, beginning at 8:15 p.m.

Proceeds of the concert will be given to Children's Hospital. The group has played to large audiences at the Utopia Theater more than six times in past years. This three-hour-plus program is designed to raise money for a worthy local cause while allowing the group to perform before loyal fans and others who enjoy folk music, according to Ed Sobansky, manager and lawyer for the group.

Police Blotter

Based on Information Released by the Greenbelt Police Department

During the night of August 7, two homes on Lakeside Dr. were burglarized. Both dwellings were occupied at the time and the residents discovered the burglaries the next morning after they got up.

A vehicle was stolen from the parking lot at the lake in the early evening hours of Aug. 7. The owner left the car running unattended while returning to his picnic table to pick up the remains of a picnic. A police department spokesman cautions all residents that it is extremely unwise to leave a car running unattended. This is often done in order to cool the car down in the summer or to warm it up in the winter.

Officers responding to a complaint about a drug transaction in the Beltway Plaza area on Aug. 9 arrested a juvenile and charged him with possession of a controlled dangerous substance.

At about 11:20 p.m. on Aug. 9 a 1982 Dodge custom van, Md. registration Z74350, was stolen from the 7800 block of Hanover Pkwy. During the night of Aug. 9-10, two attempted auto thefts also occurred in the Greenbriar area.

Within 45 minutes on Aug. 10, three accidents occurred within the city. At 5:09 p.m. an accident at Greenbelt Rd. and Hanover Pkwy. resulted in two personal injuries. The injured were taken to Prince Georges General Hospital. At 5:32 p.m. three persons were taken to the hospital as a result of an accident which occurred in the 6100 block of Breezewood Dr. At 5:54 p.m. a property damage accident at Greenbelt Rd. and Kenilworth Ave. resulted in the arrest of a non-resident on charges of driving while intoxicated.

"Wait and See?"

To the Editor:

On August 10, two members of the P.G. County School System's Transportation Department and 10 members of the community, took a measured walk from Eleanor Roosevelt High (back door) to the top of White Birch Court. The distance measured by the county was 60 feet shy of the two mile limit which would enable students to have bus service to Roosevelt. (The county used a walk wheel to measure footage while two Greenbelt citizens used two different pedometers. Both pedometers measured 2.8 miles.)

Walking at an extremely fast pace, the distance was covered in 55 minutes. It will take the students longer because of the heavy textbooks, musical instruments, school projects, etc. This also means that the students will be coming home along Crescent Road in total darkness during the winter months — a prediction to many problems. With all this in mind, and more, the Board of Education (especially the Transportation Department) has a "wait and see" attitude. Wait and see for what?

Your voice is still waiting to be heard. The school board meets on August 23. Write them today (Board of Education, Sasscer Administration Building, 14201 School Lane, Upper Marlboro, Maryland 20772). And don't forget Superintendent John A. Murphy. Let's not "wait and see" what happens to our children; do something about it today!

Farewell Reception

A farewell reception for Sister Colette Marie, long-time teacher at St. Hugh's School, will be held Sunday, August 19, after the 9:30 a.m. Mass, in Grenoble Hall.

Sister Colette is leaving for a new assignment as principal of St. Thomas, Apostle School in Washington, D.C. Everyone is invited to come and share the hospitality and light refreshments.

Charles W. Barber

Charles W. Barber, 67, a retired Army major and former science teacher, died August 13 in Alexandria after a long illness. Maj. Barber served in the Army during World War II and the Korean conflict. After retiring from the National Security Agency in 1966 he taught for seven years at Greenbelt Junior High School where he also sponsored a Chess Club. More recently he was a volunteer with the Prince Georges County Department of Aging in assisting people with the preparation of their income tax forms.

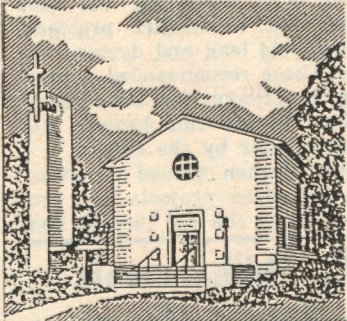

Survivors include his wife Elizabeth, of Bowie, his mother, a son and two daughters including Margaret Mitchell of Hanover Parkway, and a granddaughter. Memorial services with full military honors were held this morning at the Ft. Myer Chapel in the Arlington National Cemetery.

GHI MEMBERS YOU CAN MAKE YOUR VOICE COUNT BY JOINING A GHI COMMITTEE

GHI committees assist and advise the Board of Directors and are vital to the democratic functioning of the cooperative.

To improve the functioning of committees and increase participation in them by members, the Board has restructured the committees. Four standing committees have been established and ad hoc committees will be appointed as necessary to consider other matters.

The four standing committees are as follows:

- **Aesthetics and Environment Committee**— concerned with all aspects of GHI homes including reviewing additions and modifications which require Board approval as well as coordinate the annual clean-up.
- **Member and Community Relations Committee** — involved in planning and arranging special GHI functions and GHI participation in community affairs.
- **Building and Grounds Committee** — concerned with the exterior of GHI homes and yards including common areas and parking facilities.
- **Finance Committee** — concerned with the financial records and affairs of the corporation.

Members are needed to serve on these committees for the coming term — September 1, 1984 to August 31, 1985. Anyone interested should complete the following form:

I wish to serve on the following GHI Standing Committee for a one-year term from September 1, 1984 to August 31, 1985:

- Aesthetics & Environment
- Buildings & Grounds
- Member & Community Relations

GHI BOARD con't fr. pg. 1

Narasimhan also introduced two new staff members: Debra Penn, the loan officer for SLSC loans, and Jay Freedman, head of a new Department of Contract Processing and Technical Services. This department will include some functions previously performed by the staff architect's office.

Asbestos Removal

The board also took action to remove asbestos from occupied basements in six homes where the asbestos had previously been encapsulated in accordance with county health regulations. Encapsulation, Narasimhan said, was regarded by management as only a short-term solution. He therefore proposed to the board that a two-man team from GHI's maintenance personnel be trained and licensed to do the work. Since GHI already owns the needed equipment, such as protective clothing and respirators, it would be much cheaper to use GHI personnel than an outside contractor. After getting an affirmative answer to her repeated question, "Do we have people willing to do this work?", Cantwell moved to proceed with management's plan and the motion passed unanimously. The work is expected to be done in October.

The board received a progress report from Director Hartwick, who is chairing a committee making preparations for the conference of the Eastern Cooperative Housing Organization that will be held in Greenbelt September 21-22. The board also received a formal announcement by Narasimhan that the National Consumer Cooperative Bank had given GHI a patronage dividend of over \$1 million based on interest paid by GHI in 1983. Over \$250,000 of this dividend was in cash and the remainder in additional stock in NCCB. The cash will be put in the Rehab Stabilization Fund and used to reduce fluctuations in future charges to members.

School Registration Set for August 21

The Prince Georges County Public Schools will sponsor a special registration day for all new students from kindergarten through twelfth grade on Tuesday, August 21, from 9 a.m. to 4 p.m. at each of the system's 175 schools. Students who did not complete the last school term are also invited to register for the new year.

Students registering in the school system for the first time should bring their birth certificate, proof of residency in the county (settlement papers, deed, lease or rental agreement), their immunization records, and if applicable an unofficial transcript, their last report card and test scores.

Students who register on the 21st will be assigned to their classes before school begins on Wednesday, August 29, 1984.

For more information, call 952-4390.

Women's Football

The only women's flag football league in the Washington Metropolitan area is sponsored by the Greenbelt Recreation Department. League games will be played on Sunday mornings at Braden field beginning on September 9. The Washington Area Touch Football Rules with certain amendments pertaining to Flag will govern this league. For more information and league fees, call 474-6878.

PGCC Offers Courses At Eleanor Roosevelt H.S.

Prince Georges Community College will offer a variety of courses at Eleanor Roosevelt High School, beginning August 27, as part of their off-campus program for the Fall semester.

Available courses include English, social sciences, physical education, computer, math and science. Several career education and development courses will also be offered.

For additional information, call 433-0783.

CONSIDERING A CHANGE IN RESIDENCE?

There are three key elements to consider:

- A) Your needs: things you positively have to have.
- B) Your wants: things you'd like to have, but don't necessarily need.
- C) Your qualifications:
 - 1) Your initial investment (cash to move in)
 - 2) Your total income (gross yearly income)
 - 3) Your debt service (total indebtedness)

I would like the opportunity to discuss with you how we can combine these three factors to assist you and your family in achieving your housing goals both within Greenbelt and the metropolitan area - of course with no obligation.

Our Neighbors

Congratulations to Nancy and m O'Reilly of 2 Court Laurel ill on the arrival of their second child, Conor Ray, on July 21. The lb. 13 oz. boy, who was born at home, joins brother Jesse, 5, nancy is a nurse at the Washing- on Hospital Center, and Jim, a recent law school graduate took the Maryland bar exam last month. Proud grandmother is Irene Fulton, 55 Court Ridge who recently left the Greenbelt Co-op supermarket here after 28 years as a checker. Full time, that is. She actually began working part-time at Co-op in 1947. She is working now at the Kennington Co-op until that store is sold, and then she will retire. Son ne graduated in May from Eleanor Roosevelt High School. Visiting Irene and especially joyful as her mother, Mabel Myer of ansas. The great-grandmother returned home but enjoyed visiting Greenbelt.

Sorry to hear that Sister Colette Marie is leaving St. Hugh's school. We wish her well at her new school in Washington, D.C.

Condolences to Margaret Mitchell of Hanover Parkway on the recent death of her father, Charles W. Barber.

Condolences also to John, Vincent and Peter Martone on the death of their grandmother, Mrs. Anne Martone, an early Greenbelter.

The ERA® Buyer Protection Plan can make your home the best buy on the block.

The competition is tough when you're selling a home in today's market. You need every edge you can get to make your home more attractive than the others. The ERA Buyer Protection Plan* is that edge.

It protects your buyer against unexpected repair or replacement costs on 11 major working components in your home. So he'll be protected from most expensive repair bills.

If you had the choice between a protected home and one that wasn't, which would you choose?

That's why the Buyer Protection Plan can make your home the best buy on the block....and the first one to sell.

New Health and Beauty Aid Supplier

In an effort to upgrade our supermarket and pharmacy, we have added the Rite Aid Co. as a supplier. The addition of Rite Aid allows us to carry a wide variety of national brands as well as an extensive array of private label health and beauty aid items which were not previously available to us. This new source has also enabled us to significantly lower our prices on hundreds of items. Come in and shop the NEW CO-OP SUPERMARKET.
